Ex Parte Submission

**RE: Petition for Rulemaking Filed by AT&T to Make 800 Cellular Base Station
Power Rules Consistent with Rules for Other Mobile Broadband Services,
WT Docket No. 12-40**

Dear Ms. Dortch:

On March 10, 2017 Joan Marsh, Senior Vice President Federal Regulatory, Hank Hultquist, Vice President Federal Regulatory and the undersigned met with Erin McGrath, Legal Advisor, to Commissioner O'Rielly and Rachael Bender, Legal Advisor to Chairman Pai in separate meetings. AT&T expressed support for the proposed Cellular Service Reform Order on the Commission's tentative agenda for the March 23, 2017 Commission meeting. AT&T stated that this is a very thorough order that was the result of much discussion and collaboration among industry, public safety, and the FCC.

In accordance with section 1.1206(b)(2) of the Commission's rules, this letter is being filed electronically with your office. Please feel free to contact me if you have any questions.

Sincerely,

A handwritten signature in black ink that reads "Linda Vandeloop". The signature is fluid and cursive, written over a light gray rectangular background.

cc: Rachael Bender
